

Dear Parents,

We understand that this a challenging time for everyone and that the practicalities of home learning may be difficult for a wide range of reasons. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress. Please complete as much or as little as you can and once your child returns to school, the staff will ensure they are fully supported in catching up on any missed learning.

We love, respect and value each other
