

Dear Parents,

We understand that this a challenging time for everyone and that the practicalities of home learning may be difficult for a wide range of reasons. Following the Education Secretary's statement to Parliament, you may notice an increase in the amount of learning activities provided. This is due to the new guidance provided which states schools are expected to 'provide between three and five teaching hours a day, depending on a child's age'. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress. Please complete as much or as little as you can and once your child returns to school, the staff will ensure they are fully supported in catching up on any missed learning.

Y4

### Lockdown Learning

Week commencing 11.1.21

Please find below a list of suggested activities for the children to complete this week. All children should have a login and password sheet to give them access to any online resources. They have also been provided with a selection of CGP books which they can complete if they are unable to access any online resources.

There will be daily Microsoft Teams sessions with Mrs McNally to provide additional teaching and learning activities. Please do not worry if you are unable to join the session, the children can just complete as many of the alternative activities below as they are able. All the resources for the live lessons are available in your child's Teams folders. General documents can be located in the Teams Class Contents Library.

If you have any queries or would like to share any of the children's work, please send it to the Y4 email address [y4-stgodrics@durhamlearning.net](mailto:y4-stgodrics@durhamlearning.net)

#### Ongoing Activities

Complete any pages from 1 - 11 and 18-19 of your Maths CGP Workout book and pages 4-13 and 18-21 of your Grammar, Punctuation and Spelling CGP book as they are topics we have already covered in class. Keep practising those tables and spellings using Times Table Rockstars and Spelling Shed!

<https://play.ttrockstars.com/auth/school/student/65453>

<https://play.edshed.com/en-gb/spelling>

Check your Maths Shed lesson allocations for games related to this week's maths topics

<https://play.edshed.com/en-gb/number>

BBC Bitesize website has a wide range of home learning activities in a variety of subjects. **From Monday 11 January, the CBBC channel will have a three-hour block of primary school programmes from 9am. This will include programmes from BBC Live Lessons and BBC Bitesize Daily as well as Our School, Celebrity Supply Teacher, Horrible Histories and Operation Ouch**

[This Term's Topics - BBC Bitesize](#)

The Oak National Academy website also has online teaching videos and activities for different subjects and age groups.

[All subjects - Key Stage 2 - Oak National Academy \(thenational.academy\)](#)

Durham Music Services are providing 15 minutes of music tuition each day

<https://www.durhammusic.org.uk/15minsofmusic>

Join Joe Wicks for a daily exercise routine via YouTube

## Monday

### Maths

#### Online:

Power Maths -Unit 10 Lesson 6 from 3C book - via Teams with Mrs McNally  
Adding Fractions

#### Paper based:

Alternatively, you can watch the White Rose home learning teaching using the link below and go to Summer Term – Week 2 (w/c 27<sup>th</sup> April – Lesson 1) and then have a go at the Power Maths Practice Book pages 21 - 23.

#### Videos:

<https://whiterosemaths.com/homelearning/summer-archive/year-3/>

The video is called Lesson 1 Adding fractions.

There is also a section of work on the BBC Bitesize website at the link below. You can follow the teaching points and then have a go at the quiz.

<https://www.bbc.co.uk/bitesize/topics/zhdwxnb/articles/zgn4k7h>

#### Paper-based activity

Have a go at the following challenges

- 1 You have a bag of 12 sweets.
- How many sweets are  $\frac{1}{3}$  of the bag? How many are  $\frac{1}{4}$  of the bag?
  - How many sweets are represented by each of these fractions of the bag?

Fraction	$\frac{1}{3}$	$\frac{1}{6}$	$\frac{2}{3}$	$\frac{3}{4}$
Sweets				

Fraction	$\frac{5}{6}$	$\frac{2}{4}$	$\frac{2}{6}$	$\frac{4}{6}$
Sweets				

- c) Which fractions give the same number of sweets?

I can use the number of sweets to help me order the fractions from smallest to largest.

- 2 a) Show each fraction as part of a strip, a part of a rectangle and on a number line.

$\frac{1}{4}$     $\frac{2}{5}$     $\frac{1}{6}$     $\frac{3}{8}$     $\frac{2}{3}$     $\frac{5}{6}$

- b) Write the fractions in order from smallest to largest.

- 3 a) What is the same and what is different about these fractions?

$\frac{1}{3}$     $\frac{2}{6}$     $\frac{3}{9}$     $\frac{4}{12}$

- b) List three more equivalent fractions to make a set of matching fractions for each.

$\frac{1}{4}$     $\frac{1}{5}$     $\frac{1}{6}$

### English

#### Online:

English lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book

#### Paper based:

We are continuing to write our biography about Emmeline Pankhurst. Can you write a short paragraph about each of the following two plot points and include the grammar or punctuation techniques listed?

- Her campaign - include a quote
- One of her achievements – include powerful verbs and adjectives

Use a dictionary and thesaurus to improve your word selection. Can you improve your sentence with a more suitable synonym?

Look up the Word of the Day on Vocabulary Ninja. Can you use the word in your work today?

<https://vocabularyninja.co.uk/word-of-the-day/>

### Science

#### Online:

Science lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book. We will be discussing our local habitat investigation and then you can join us to view photos and videos afterwards. Maybe you can complete your own investigation at the same time.

#### Paper based:

Living Things and Their Habitats  
This week we are learning about local habitats.

Can you locate any local habitats in your own garden?

You will need to record details in writing and by sketching.

Use the documents in the Teams file to help you with your exploration.

Tuesday

Music & Maths

**Online:**

Join us for an online Music lesson with Durham Music Services 9:15-9:45am

**Online:**

Power Maths -Unit 10 Lesson 6 from 3C book - via Teams with Mrs McNally  
Subtracting Fractions

**Paper based:**

Alternatively, you can watch the White Rose home learning teaching using the link below and go to Summer Term – Week 2 (w/c 27<sup>th</sup> April – Lesson 2) and then have a go at the Power Maths Practice Book pages 21 - 23.

Videos:

<https://whiterosemaths.com/homelearning/summer-archive/year-3/>

The video is called Lesson 2 Subtracting fractions.

Paper-based activity

Have a go at the 2 problem-solving lessons in your 3C Power Maths Book.

Lesson 8 – pages 36-39

Lesson 9 pages 40-43

English

**Online:**

English lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book

**Paper based:**

We are continuing to write our biography about Emmeline Pankhurst. Can you write a short paragraph about each of the following two plot points and include the grammar/punctuation techniques listed? Remember to write in the past tense

1. Her character qualities – use the power of 3 (include 3 highlights)
2. Her impact on the country – include a simile or a metaphor

Complete your biography with a closing paragraph. Explaining how Emmeline Pankhurst is still remembered today. This should be written in the present tense.

Look up the Word of the Day on Vocabulary Ninja. Can you use the word in your work today?

<https://vocabularyninja.co.uk/word-of-the-day/>

RE/Computing

**Online:**

RE lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book

**Paper based:**
