

Dear Parents,

We understand that this a challenging time for everyone and that the practicalities of home learning may be difficult for a wide range of reasons. Following the Education Secretary's statement to Parliament, you may notice an increase in the amount of learning activities provided. This is due to the new guidance provided which states schools are expected to 'provide between three and five teaching hours a day, depending on a child's age'. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress. Please complete as much or as little as you can and once your child returns to school, the staff will ensure they are fully supported in catching up on any missed learning.

Y4

### Lockdown Learning

Week commencing 25.1.21

Please find below a list of suggested activities for the children to complete this week. All children should have a login and password sheet to give them access to any online resources. They have also been provided with a selection of CGP books which they can complete if they are unable to access any online resources.

There will be daily Microsoft Teams sessions with Mrs McNally to provide additional teaching and learning activities. Please do not worry if you are unable to join the session, the children can just complete as many of the alternative activities below as they are able. All the resources for the live lessons are available in your child's Teams folders. General documents can be located in the Teams Class Contents Library.

If you have any queries or would like to share any of the children's work, please send it to the Y4 email address [y4-stgodrics@durhamlearning.net](mailto:y4-stgodrics@durhamlearning.net)

#### Ongoing Activities

Complete any pages from 1 - 14 and 18-19 of your Maths CGP Workout book. Read and revise pages 4- 23 of your Maths Targeted Study Book. There are some practice questions at the end of each section which you can complete. The answers are in the back of the book. Complete pages 4-13 and 18-21 of your Grammar, Punctuation and Spelling CGP book as they are topics we have already covered in class. Keep practising those tables and spellings using Times Table Rockstars and Spelling Shed!

<https://play.ttrockstars.com/auth/school/student/65453>

<https://play.edshed.com/en-gb/spelling>

Check your Maths Shed lesson allocations for games related to this week's maths topics

<https://play.edshed.com/en-gb/number>

BBC Bitesize website has a wide range of home learning activities in a variety of subjects. **From Monday 11 January, the CBBC channel will have a three-hour block of primary school programmes from 9am. This will include programmes from BBC Live Lessons and BBC Bitesize Daily as well as Our School, Celebrity Supply Teacher, Horrible Histories and Operation Ouch**

[This Term's Topics - BBC Bitesize](#)

The Oak National Academy website also has online teaching videos and activities for different subjects and age groups.

[All subjects - Key Stage 2 - Oak National Academy \(thenational.academy\)](#)

Durham Music Services are providing 15 minutes of music tuition each day

Music & Maths

**Online:**

Join us for an online Music lesson with Durham Music Services

**Online:**

Power Maths -Unit 6 Lesson 10 from 4B book (Pink) - via Teams with Mrs McNally

Dividing a 2-digit number by a 1-digit number (1)

This lesson will begin straight after our music lesson and then continue after morning break.

**Paper based:**

Alternatively, you can watch the White Rose home learning teaching video and have a go at the practice book, pages 33-35.

Videos:

<https://whiterosemaths.com/homelearning/year-4/spring-week-3-number-multiplication-and-division/>

The video is called – Dividing 2-digits by a 1-digit (1)

Paper-based activity

Have a go at the following –

3 Dexter is working out  $56 \div 4$  using a place value chart.

T	O
50	6
50	6
50	6
50	6

a)

I can't do it because I have counters left over.

Do you agree with Dexter? \_\_\_\_\_

Explain your answer.

\_\_\_\_\_

b) Work out  $56 \div 4$  using place value counters.

$56 \div 4 = \square$

English

**Online:**

English lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book. This lesson will be taught in the afternoon due to our morning music lesson.

**Paper based:**

We are continuing to read and write about 'Escape from Pompeii' by Christina Balit, based on a real-life event. We will be writing about Plot Point 4 – Can you write a paragraph explaining what Tranio can see, smell and hear from the boat? Can you include some possessive apostrophes in your work?

Look up the Word of the Day on Vocabulary Ninja. Can you use the word in your work today?

<https://vocabularyninja.co.uk/word-of-the-day/>

Can you complete the following challenge?

**Matching Meanings**

Draw lines from the Grasshopper words to their definitions.

**Grasshopper Word**

- attention
- annoy
- spotless
- suggestion
- remind

**Grasshopper Definitions**

- Something that is \*\*\*\* is completely clean.
- If you give someone or something your \*\*\*\*, you look at it, listen to it, or think about it carefully.
- If someone \*\*\*\* you of a fact or event that you already know about, they say something which makes you think about it.
- If someone or something \*\*\*\* you, it makes you fairly angry and impatient.
- If you make a \*\*\*\*, you put forward an idea or plan for someone to think about.

**Matching Meanings**

Draw lines from the Shinobi words to their definitions.

**Shinobi Word**

- decrease
- automatic
- insert
- persuade
- signal

**Shinobi Definitions**

- A \*\*\*\* is a gesture, sound, or action which is intended to give a particular message to the person who sees or hears it.
- When something \*\*\*\* or when you decrease it, it becomes less in quantity, size, or intensity.
- If you \*\*\*\* someone to do something, you cause them to do it by giving them good reasons for doing it.
- An \*\*\*\* action is one that you do without thinking about it.
- If you \*\*\*\* an object into something, you put the object inside it.

Computing

**Online:**

Computing lesson via Teams with Mrs Langdon 2.30pm – Mrs Langdon will give you a new code to use today.

**Paper based:**

What is decomposition?

Research this topic on

<https://www.bbc.co.uk/bitesize/topics/zs7s4wx/articles/z8ngr82>

Consider how breaking down the problem into steps helped you. Can you write your own steps to solve a problem?

Wednesday

Maths

**Online:**

Power Maths -Unit 6 Lesson 11 from 4B book (Pink) - via Teams with Mrs McNally  
Division with remainders

**Paper based:**

Alternatively, you can watch the BBC Bitesize home learning teaching video and have a go at the practice book, pages 36-38.

Videos:

<https://www.bbc.co.uk/bitesize/topics/z36tyrd/articles/zcjh8mn>

The video is called – How to work out division with remainders.

Have a go at the following challenge –

When a bag of more than 40 sweets is shared between two people, one sweet is left over.

When it is shared between three people, there is one sweet left over.

When it is shared between five people, there is still one sweet left over.

How many sweets are in the bag?

English

**Online:**

English lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book.

**Paper based:**

We will be planning our Big Write which will be completed tomorrow. Read the pages in , [‘Escape from Pompeii’](#) by Christina Balit which describes the volcano erupting.

Watch an animation of what it would have been like in Pompeii when Mount Vesuvius erupted.

[https://www.youtube.com/watch?v=dY\\_3ggKgoBc](https://www.youtube.com/watch?v=dY_3ggKgoBc)

Use your planning sheet to gather appropriate vocabulary to describe what happened when Tranio and Livia were in the boat.

Success Criteria – can you include personification, possessive apostrophes, an expanded noun phrase and fronted adverbials in your planning? Can you include a subordinate clause?

Additional task:

Grammar, Punctuation and Grammar CGP book pages – Commas 42-43 and 44-45. Move on to 46-47 and 48-49 if you have already completed the previous pages.

PE

**Paper based only:**

Develop your skills from last week.

You only need a ball. Can you complete the whole routine without dropping the ball? If so, you complete the routine in reverse?

Have you developed your technique since last week? How? Make a note of your observations.

		<p>Alternatively, pick one of the Joe Wicks PE videos on YouTube and have a go. Think about which muscles you are using throughout your workout.  <a href="https://www.youtube.com/playlist?list=PLokdTyVEX-wKPwxH6Eil7i2F3lTkdqaud">https://www.youtube.com/playlist?list=PLokdTyVEX-wKPwxH6Eil7i2F3lTkdqaud</a></p> <p>Additional Activities –          Complete some research into volcanoes and their structure. Consider how you would make a 3D model of a volcano. What type of materials could you use?</p> <p>Complete the Wordsearch in your Quiz Teams folder based in this week's spellings (List 22)          Use the website Spelling Frame to practise this week's spelling rule – Go to Year 3 and 4, Spelling Rule 13 and Spelling Rule 14  <a href="https://spellingframe.co.uk">https://spellingframe.co.uk</a></p>

out about a Roman site near you?

## Friday

### Maths

#### Online:

Power Maths -Unit 6 Lesson 13 from 4B book (Pink) - via Teams with Mrs McNally  
Dividing a 2-digit number by a 1-digit number (3)

#### Paper based:

Alternatively, you can watch the White Rose home learning teaching video and have a go at the practice book, pages 42-44.

Videos:

<https://whiterosemaths.com/homelearning/year-4/spring-week-3-number-multiplication-and-division/>

The video is called – Dividing 2-digits by 1-digit (3)

Have a go at the following challenge –

- 3 a) Find the missing numbers in these two division calculations.

$$185 \div 5 = \square$$

$$\square \div 4 = 82$$

- b) Find at least five different ways to complete each of these calculations:

$$\square \div \square = 14$$

$$\square \div \square = 53$$

I think I can use the answers to help me find the missing numbers in part (b).

### English

#### Online:

English lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book  
Comprehension Lesson

#### Paper based:

Complete the comprehension task in your Teams folder and mark with the rest of the class at the end of the lesson.

Alternatively, you can complete the following comprehension task in your Year 4 CGP book - Aesop's Fables on pages 6 and 7.

Additional Task:

Grammar, Punctuation and Grammar CGP book – Suffixes – Double letters pages 76-77.

### RE

#### Online:

RE lesson via Teams with Mrs McNally – please complete the lesson work in your Home learning exercise book.

#### Paper based:

This lesson we will be learning about the sections of the Mass call the Penitential Rite and the Gloria.

Read the information in your Teams folder and complete the worksheets.
