

Dear Parents,

We understand that this a challenging time for everyone and that the practicalities of home learning may be difficult for a wide range of reasons. Following the Education Secretary's statement to Parliament, you may notice an increase in the amount of learning activities provided. This is due to the new guidance provided which states schools are expected to 'provide between three and five teaching hours a day, depending on a child's age'. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress. Please complete as much or as little as you can and once your child returns to school, the staff will ensure they are fully supported in catching up on any missed learning.

Y4

Lockdown Learning

Week commencing 8.2.21

Please find below a list of suggested activities for the children to complete this week. All children should have a login and password sheet to give them access to any online resources. They have also been provided with a selection of CGP books which they can complete if they are unable to access any online resources.

There will be daily Microsoft Teams sessions with Mrs McNally to provide additional teaching and learning activities. Please do not worry if you are unable to join the session, the children can just complete as many of the alternative activities below as they are able. All the resources for the live lessons are available in your child's Teams folders. General documents can be located in the Teams Class Contents Library.

If you have any queries or would like to share any of the children's work, please send it to the Y4 email address y4-stgodrics@durhamlearning.net

Ongoing Activities

Complete any pages from 1 - 19 of your Maths CGP Workout book. Read and revise pages 4- 23 of your Maths Targeted Study Book. There are some practice questions at the end of each section which you can complete. The answers are in the back of the book. You can also read page 24 – Counting in Hundredths which we will be covering this week. Complete pages 4-25, 42-51, 67, 76-79 and 96-97 of your Grammar, Punctuation and Spelling CGP book as they are topics we have already covered in class.

Keep practising those tables and spellings using Times Table Rockstars and Spelling Shed!
