

Dear Parents,

Please find below a suggested timetable of activities for your child to complete at home independently. We understand that the practicalities of home learning can be difficult for a wide variety of reasons. Please be assured that there are no expectations on the quantity of work that is achieved and that the guidance and suggested activities set out below have been chosen to support your child in home learning and are not there to add additional pressure or stress.

We love, respect and value each other

Y4

### Emergency Home Learning

Please find below a list of suggested activities for the children to complete. All children should have a login and password sheet to give them access to any online resources. They have also been provided with a selection of CGP books which they can complete if they are unable to access any online resources.

If you have any queries or would like to share any of the children's work, please send it to the Y4 email address [y4-stgodrics@durhamlearning.net](mailto:y4-stgodrics@durhamlearning.net)

#### Ongoing Activities

Keep practising those tables and spellings using Times Table Rockstars and Spelling Shed! There will be a Spelling Shed list allocated each week for specific practise that matches the rule we have been looking at in class so check your spelling homework list too!

Maths Shed Stage 4 Spring Term  
Block 1 – Multiplication and  
Division - Lesson 5

[Home Learning | White Rose Maths](#)

book and then mark your answers.

**Writing**

Big Write Friday - Pick your favourite character from a book/tv show/film and write the opening chapter to their next adventure or story.

**Spelling**

Write as many words as you can write using the suffix *-sure*

**Grammar and Punctuation**

Write a conversation between two characters which could be used in a play script. Remember to set your playscript out correctly.

Refresh your memory by watching BBC Bitesize – How to write a play.

<https://www.bbc.co.uk/bitesize/topics/zsn4h39/articles/zx8kng8>

- Use the vocabulary below to draw and label a map of your town.
