

Mini Vinnies and Music in Y4

Y4 have really enjoyed learning how to play the Chalumeau Clarinet with Mr Hamilton during the Autumn Term.

The children are now able to set up their instruments themselves, play the notes B, A and G without overblowing. They can play four bars as well as a crochet and a minim! The children can play tunes together as a Class and are beginning to play in duets and solos.

The children have continued with their Mini Vinnie duties and enjoyed making Christmas cards to send to our parishioners. They are now busy planning their next venture which will take place before Easter.

We love, respect and Value each other.
