Whoever follows me will have the light of life! John 8:12

Our Mission: 'Be the light'

Friday 7th November 2025

Dear parents/carers,

News from this week...

Y4 Sacramental preparation Mass at St. Godric's

It was lovely to see the Y4 children who came along to the preparation Mass on Sunday. Just a reminder that these Masses are part of the Sacramental preparation so we would love to see everyone attending. Please refer back to the dates that were given out during the meeting. Thank you to our parish catechists for leading the lovely session on Wednesday after school where Y4 were reflecting on their baptism.

Judaism

The children have really enjoyed learning about the Jewish faith this week in their RE lessons.

Captain Chemistry

We are delighted to welcome Captain Chemistry back into school! Thank you to the Friends of St. Godric's for funding this wonderful opportunity for our children. He will be working with all the classes for one afternoon this half term and is then running his after school club. This week Year 2 were comparing mammal skulls to identify if they were carnivores or herbivores.

Y2 Fundamental movement skills sports festival

Y2 had a lovely afternoon of sports on Thursday during their trip.

Y2 Reading Café

A busy week for Y2 with the reading café this morning too. We hope you enjoyed coming in to read some of our lovely books with your child.

PIC•COLLAGE

Y1 craft Stay and Pray

A lovely afternoon making fireworks and thinking about our mission to 'Be the light'. We really enjoyed welcoming parents/carers into school to work with us and wrote some thoughtful prayers to share.
